

Decision 06-06-004 June 9, 2006

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Pacific Gas and Electric Company for Authority to Implement Default CPP Rate Options For Large Customers.	Application 05-01-016 (Filed January 20, 2005)
Application of San Diego Gas & Electric Company (U 902-E) for Adoption of a 2005 Default Critical Peak Pricing Structure for Commercial and Industrial Customers with Peak Demands Exceeding 300kW.	Application 05-01-017 (Filed January 20, 2005)
Southern California Edison Company's (U 338-E) Application for Approval of Rate Design Proposals for Large Customers.	Application 05-01-018 (Filed January 20, 2005)

**ORDER CORRECTING ERROR IN DECISION 06-05-038**

It has come to our attention that Ordering Paragraph 3 of Decision 06-05-038 inadvertently neglected to list Southern California Edison Company as one of the companies that should retain its existing voluntary critical peak pricing tariffs.

Therefore, under the authority of Resolution A-4661,

**IT IS ORDERED** that Decision 06-05-038 is corrected to revise Ordering Paragraph 3 to read:

3. Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company, and Southern California Edison Company shall retain their existing voluntary critical peak pricing tariffs.

Dated June 9, 2006, at San Francisco, California.
